

AvalonConnect *Technology Package*

We all know that technology creates a level of convenience in every aspect of our lives – especially in our homes. That's why we've created service offerings to help you stay connected, more secure, and comfortable. Our technology package, AvalonConnect, brings you what you need to live seamlessly and efficiently.

High-Speed WiFi

- Powered by WhiteSky
 - Pre-installed high-speed internet with symmetrical speeds up to 300 Mbps
 - Each home equipped with a wireless access point and wired outlets
 - Upgrade service at any time
- Community-wide WiFi - continuous from your apartment throughout the community, including common areas

Smart Access

- Streamlined access experience with a better way of unlocking doors through your fob
- Easily provide building access with friends, family, and service providers directly from your smartphone

Digital Resident Services

- Pay rent, submit requests, reserve amenities, and find important community information via your smartphone

Smart Thermostats

- Manage your home comfort system through one easy-to-use interface
- Customize alerts to monitor comfort and energy efficiency

Package Service

- Unique pin code for package lockers sent via email
- Convenient 24/7 access

Technology Package Pricing

\$59.99/month

The technology package is a **required resident program** and the monthly cost will be added to your rent statement. For questions or more information, contact our leasing team.

* WhiteSky is the selected internet provider. Residents will be billed separately for any optional upgrades. Exact internet speeds may vary. For best results, connect directly to the wall port with an ethernet cable and device capable of the speeds. AvalonConnect technology package pricing varies by location.
